P3 INTERNATIONAL | INNOVATIVE ELECTRONIC SOLUTIONS

Professional weather STATION

Stay one step ahead of the weather with our deluxe wireless weather station.

Outdoor unit collects data and sends it to the touch screen display

Built-in Wiz Kid automatically recommends proper attire based on weather conditions

- Measures temperature, rainfall, barometric pressure, wind speed and wind direction
- Wireless technology allows outdoor unit to communicate with indoor display
- Touch screen display panel with programmable functions
- PC interface allows for download of weather data

Model:	E9550
Radio transmission:	433 MHz radio transmission linking all sensors
Temperature:	Up to 9 sensors can be connected, two temperature values are shown concurrently, 1 indoor and 1 selectable outdoor temperature, resolution 0.18°F, accuracy 1.8°F; display unit: F, dew point (indoors) and windchill display (indoors/outdoors), comfort zone indicator for indoor display (F to C switchable)
Relative humidity:	Up to 9 sensors can be connected, two humidity values are shown concurrently, resolution 1%, accuracy 5 %
Air pressure trend:	Display of air pressure trend in 5 steps: rising steeply, rising, no change, dropping, dropping steeply
Air pressure history:	Display using bar chart, up to 24-hour tracking
Rainfall:	Display in inch, mm, l/m2, display total since last reset, last 24 hrs, or last hour, range 0 to 999 mm, resolution <0.3mm
Wind speed:	Display selectable as mph, km/h, m/s, resolution 0.06mph., wind sock icon for light, moderate and strong wind
Sunrise and sunset:	Selectable display of individual locations
Moon phase:	Display of the current moon phase in six stages
Time & date:	Quartz clock
Weather forecast:	With weather icons: sunny, fair, cloudy, rainy, and Wiz Kid's choice of clothing
Extensive memory options:	Min./max. values with time & date
Independent of house current:	Base station, 4x AA batteries; sensor, 3x AA batteries battery life >2 years (station and sensor), batteries not included
Housing dimensions (H x W x D):	8.5" x 5.5" x 1.3" (stand excluded)

Specifications subject to change without notice.
