

Share A Watt™

**4 Port
USB
Charger**

**52" CORD
Reaches
Back Seat!**

Charge all your devices while on the road with the Share A Watt™ 4 Port USB Charger.

Extraordinarily powerful, and capable of delivering 48 watts of power, it lets you charge up to 4 tablets, smartphones or other devices at full speed simultaneously.

Slim and lightweight, it comes with a 52 inch cord making it easy to use in both front seat and back. Built-in device detection gives you the fastest charging speeds up to 2.4 amps per port or 9.6 amps when all four are being used.
