

FLOATING FLOOD SIREN

Lets you know when a leak occurs!

Under the sink

Laundry Room

Basement

Protect your home from water damage by knowing the moment a leak or flooding occurs. When the Floating Flood Siren detects moisture it emits a powerful 120dB alarm letting you know there's something wrong. Use in areas where leaks and floods are common such as bathrooms, laundry rooms, water heaters and basements. Great for marine and RV applications too! Long battery life allows you extended peace of mind knowing that the Floating Flood Siren is on guard against the unexpected.

- **Compact and inconspicuous**
- **Emits 120dB alarm when triggered**
- **Floats on top of any flood**
- **Protects for extended periods between battery changes**

Great for areas prone to flooding:

- Bathroom**
- Laundry Room**
- Basement**
