

RECHARGEABLE Pocket Warmer

W/PHONE CHARGER

Is winter freezing your fingers and draining your phone? Solve both problems with our convenient Warmer-Charger. Lightweight and compact, you can take it with you anywhere that you might need soothing heat or an emergency phone charge.

Switch it on, slip it into the knit sleeve, and place it in your pocket. In as little as 60 seconds your hand will start to feel the comforting warmth inside your pocket. When your cell phone is running out of juice just plug it in and enjoy a backup power supply where ever you are.

Recharging is simple. Power up at your computer with the included USB cable and you're good to go in as little as 1 1/2 hours.

The Warmer-Charger is ideal for winter activities as well as business. Take it with you on your morning commute or when you're hiking or camping.

- Charge your mobile device up to 50%
- Warms to a safe temp. of 104°
